Would members please stand for a short silence in memory of members and partners who passed away since or last AGM.

The past year has been a most successful one. Attendance at meeting has been always full to overflowing. We had a wonderful holiday in Slovenia and a number of day trips which were organised by various members.
For the past year to be so successful is mainly down to my committee. So a big thank you goes to each and every one of you.

I must thank Ian Petrie for keeping our website so updated and full of information about our club. Keith Gilham for keeping our membership records up to date, John Meins for controlling our purse strings once again. Our sound man, Keith Hunt, Brian Jackson and Keith Gilham for organising our monthly luncheon, Alan Walters for our annual trip to Cadogan Hall, Mike Newland for our wonderful Spring Lunch. Sadly our Beer and Skittles outing did not take place but I am assured it will be back this year. Geoff Bourn took to the task of Speaker Secretary like a duck to water.
We also had a hugely successful Summer Supper and Christmas Lunch. Christmas Dinner however had a few hiccups mainly due to yours truly, and had nothing to to with the host venue.

Our annual holiday, once again organised by Graham Lang, is to Catalonia and I Believe we are fully booked. Well done Graham.

,
Colleen, who not only prepares our coffee and biscuits, but helps put out the tables and chairs. On occasions, when Geoff and I arrive to set up, we find she has just about done it all for us.
A big thank you Colleen.

Finally I must ask you if you want to remain an all male club?
